

**REMARKS**

*This Supplemental Amendment is being submitted to correct the April 27, 2006 Amendment after Final by presenting the amendment to the specification and claims, relative to the patent, in proper underline form and to clarify the location of the insertion of the new paragraph in the specification. The remainder of this Supplemental Amendment is the same as the previously filed Amendment after Final.*

Claims 7-11 are pending. Claims 12-14 and 32-35 are canceled by this amendment because they were filed in a divisional reissue application on April 25, 2006, making all claims 12-35 canceled.

The specification was amended as required by 37 CFR § 1.177(a) to note the divisional reissue application filed on April 25, 2006. The Applicants respectfully submit that no new matter has been added.

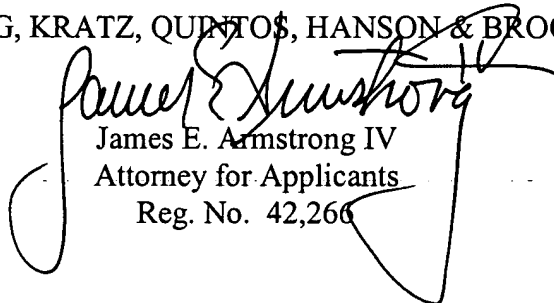

Reexam/Reissue Serial Nos.: 90/004,812 & 09/810,650  
U.S. Patent: 5,216,135

If, for any reason, it is felt that this application is not now in condition for appeal, the Examiner is requested to contact the Applicants' undersigned attorney at the telephone number indicated below to arrange for an interview to expedite the disposition of this case.

In the event that this paper is not timely filed, Applicants respectfully petition for an appropriate extension of time. Please charge any fees for such an extension of time and any other fees which may be due with respect to this paper, to Deposit Account No. 01-2340.

Respectfully submitted,
